SHOULD THIS BUSINESS ENTERPRISE BE BOUGHT?

My subtle opinion on the above question is yes . the reason my my answer is that it can be derived from the data analysis that the enterprise is doing quite excellent given the amount of sales made every month.

OVERALL ADVICE TO THE INTENDED OWNER.

My advice to the intended owner is that a supervisor should be included in to the staff to monitor the working rate and activities of the other workers , this would also help to point out the other shortcomings of the enterprise.

REPORT ON STAFF AND THEIR EFFECT ON SALES AND PROFIT.

WITH THE ABOVE CHART IT CAN BE DERIVED THAT THE TOTAL NUMBER OF STAFF DAILY IS QUITE HIGH BUT THE MAXIMUM AMOUNT OF SALES MADE IS LOW , IT SHOULD BE NOTED THAT THE STAFF ARE NOT DOING A VERY GOOD JOB DAILY WHICH HAS CAUSED DECREASE IN THE PROFIT MADE FROM THE SALES..
